## SAVE THE DATE!

### 2012 CLEAN TECHNOLOGY & INDUSTRIAL GROWTH

Management Access Conference

Wednesday, September 12, 2012

**LOCATION:** The Westin San Francisco, Market Street  
50 Third Street, San Francisco, CA 94103

Please join Wedbush Securities for our 2012 Clean Technology & Industrial Growth Management Access Conference. This event brings together our institutional clients with management executives from leading global companies within these sectors. We connect investors with management teams from over 60 prominent public and best-of-breed private companies through corporate presentations, related industry panels and small group meetings.

#### REPRESENTED SECTORS INCLUDE:

- Energy Efficiency
- Smart Grid
- Energy Storage
- Vehicle Technologies
- Advanced Lighting
- Industrial Biotechnology
- Water & Renewable Energy Solutions
- Advanced Materials
- Building & Engineered Products
- Environmental Services
- Industrial Process Technologies

For more information, please contact your Wedbush Team Member, or send an email to:
