**New York, NY – June 18, 2013** – [Lime Brokerage](#), a Wedbush Company and preeminent provider of ultra-low latency trading technologies, celebrates its two year anniversary with affiliate [Wedbush Securities](#), one of the nation's leading financial services providers. Partnering with approximately 125 clients comprised of professional traders, hedge funds, asset managers and broker-dealers, Lime offers performance-engineered trading solutions that deliver speed, scale and reliability.

The firm delivers a comprehensive market data solution, CITRIUS™, the fastest pre-trade risk solution available, LimeDirect™, and a powerful complex event processor in Lime Strategy Studio™. With continued momentum in 2013, the firm moved forward with the protection of its intellectual property with one important patent secured and four currently pending. It also grew its executive team recently welcoming Tony Huck as Managing Director of Business Development.

“We’re pleased to celebrate the last two years at SIFMA Tech Expo. From our industry-leading, pre-trade risk system that performs risk checks in less than 250 nanoseconds to our suite of ultra-low latency trading technologies, we’ve made significant strides,” said Jeff Bell, CEO of Lime Brokerage. “As we continue to expand our offerings, our goal is to remain at the forefront of innovation and client service.”

For more information please visit both Lime Brokerage and the Wedbush Securities Clearing and Technology Group at [SIFMA Tech, booth # 1852](#). SIFMA Tech is held at the Hilton New York located at 1335 Avenue of the Americas on Tuesday, June 18 and Wednesday, June 19, 2013.
