Lime Brokerage Recipient of “Best Infrastructure/Technology Initiative” By 2016 Wall Street Letter Institutional Trading Awards

- *Lime Brokerage announces that it has been awarded the 2016 Wall Street Letter Institutional Trading Award for “Best Infrastructure/Technology Initiative.”*
- *Lime Brokerage, a Wedbush Company, provides systematic traders superior access to the most automated, high-volume electronic trading markets, offering leading advanced trading technologies and execution services.*

New York, NY – March 4, 2016 – Lime Brokerage (“Lime”), a Wedbush Company, is pleased to announce that it is the recipient of “Best Infrastructure/Technology Initiative” by the 2016 Wall Street Letter Institutional Trading Awards. The event took place on Tuesday, February 23, 2016, in New York City, and honored excellence in innovation and exceptional achievement among the institutional trading industry, including financial technology companies, brokerage firms, and exchanges.

“Lime has been a pioneer and innovator in systematic trading for over 15 years, as we are dedicated to providing an end-to-end technology solution to low-latency traders built on speed, reliability, and scalability. We greatly appreciate this recognition by Wall Street Letter, and are extremely proud to receive this prestigious institutional trading award, honoring our industry-leading technology initiatives,” states Tony Huck, President and COO of Lime Brokerage.

About Lime Brokerage

Lime Brokerage (“Lime”) offers the industry’s most advanced trading technologies and execution services, providing systematic traders superior access to the most automated, high-volume electronic trading markets. Lime’s systems provide unsurpassed reliability and scale with exceptionally low latency. Developed to handle the demands of the automated and electronic trading community, Lime’s technology caters to a diverse and sophisticated client base. The result is a robust, highly reliable, agency-only system that includes market data and trading platforms. It allows clients to trade efficiently and anonymously across all major lit and dark market venues.
