

Lime Brokerage Partners with CQG to Offer Algorithms to CQG's Integrated Client Customers

Lime Brokerage futures algorithms now available on CQG's leading platform

CHICAGO, November 28, 2017 —[Lime Brokerage](#), a [Wedbush](#) Company, and a leading provider of technology and market access, announces a partnership with [CQG](#), a platform for integrated trade routing, global market data, and advanced technical analysis tools, to offer Lime's suite of premium futures algorithms on CQG's platform.

Lime's algorithmic execution and technology residing on the CQG platform, places a suite of tools at the hands of futures traders to facilitate large orders at Lime speed and quality. In addition to the highest quality algorithms, customers will get superior servicing, by a team of experienced algorithmic trading specialists who will engage in building fully bespoke algorithms.

"CQG is excited to offer Lime's suite of algorithmic strategies on our Integrated Client platform," said Mike Glista, Senior Vice President at CQG. "This integration gives CQG customers' access to flexible and proven futures trading strategies without the need for custom development."

"This is a fantastic opportunity to provide quantitative strategies for the masses," states Rich Jablonski, CEO of Lime Brokerage and Executive Vice President of Wedbush Securities. "The ability for CQG's individual high volume traders to have access to Lime's proprietary algorithms is an amazing value-add offering for our clients as well as a unique bonus for both firms."
