Wedbush Insured Deposit Account satisfies the FDIC's requirements for agency pass-through deposit insurance coverage. Program banks in the network are FDIC-insured banks and savings associations as those terms are defined in the Federal Deposit Insurance Act. The FDIC insurance limit is \$250,000 in each eligible account type per depositor per bank. Please carefully review the disclosure document for detailed information regarding FDIC insurance limits.

Uninvested cash balances will be moved into the Wedbush Insured Deposit Program from the free credit balance account once Wedbush receives and processes a signed consent form.

The Wedbush Insured Deposits program currently offers \$2.5 million of FDIC insurance per eligible account. While you may exclude any number of banks you choose, the maximum level of FDIC insurance may decrease from \$2.5 million to a lower coverage level as a result. Please contact your financial advisor with any questions.
